Subj: LETTER OF APPRECIATION

1. From 29 June 1993 to 5 January 1994 you have volunteered your time and assistance on numerous occasions to help coordinate, participate in, and evaluate Sniper training scenarios and courses that incorporate realistic applications to both Law Enforcement and Military personnel. The amount of effort, time, and assistance was very noteworthy.

2. It is always an honor for the school to be invited to participate and share in training with law enforcement personnel. You and your fellow law enforcement officers help to ensure that the United States remains safe and secure. It is always rewarding to work with a professional of your caliber. Please accept this note of personal thanks from the United States Marine Corps and 1st Marine Division Schools.
